Item 4- Other Business Activities

Mr. Stonnington is a registered representative with Stonnington Group, a registered broker-dealer, member FINRA and SIPC. In this capacity, Mr. Stonnington may recommend investment products and receive transactions commissions if products are purchased through the broker-dealer. Thus, a conflict of interest exists between the interests of Mr. Stonnington and those of the advisory clients, creating an incentive for him to recommend investment products based on the compensation received, rather than on a client's needs.

However, clients are under no obligation to act upon any recommendations of Mr. Stonnington or to effect any transactions through him if they decide to follow the recommendations. Mr. Stonnington may receive commission or other income, such as fees or interest income on Pershing accounts in addition to advisory fees from advisory clients. Mr. Stonnington only limits his commissionable recommendations to products or services offered by the broker-dealer and ensures that all recommendations are appropriate for a

client's specific needs. Clients have the option to purchase investment products recommended through other broker-dealers not affiliated with Mr. Stonnington.

General Partner of Stonnington Asset Allocation, LP.

Although the amount of Mr. Stonnington's time devoted to most of these activities is minimal and performed outside of securities trading hours, Mr. Stonnington anticipates that in calendar 2015 he will devote in excess of 20% of his hours to managing the business of QBI. Stonnington Group, LLC does not believe this will have a material effect on client service.
